#### **Professional Experience**

43 years of experience in municipal traffic engineering, transportation planning, highway design, traffic system operations, right-of-way acquisition, and Intelligent Transportation Systems. The experience includes 23 years as Transportation Director for Hubbell, Roth & Clark, Inc., 14 years as the Transportation Director for the City of Troy, Michigan; 2 years as Chief Engineer for Reid, Cool & Michalski Traffic and Transportation Engineers; and 5 years as a Highway Engineer for the Federal Highway Administration. He chairs the Metro Detroit Incident Management Coordinating Committee. He is a Past-President of the Intelligent Transportation Society of Michigan.

Mr. Beaubien has been recognized as a traffic engineering expert in litigation involving traffic crashes. He is a registered professional engineer in Michigan, Illinois, Missouri, Florida and California. He has been certified as a Professional Traffic Operations Engineer by the Transportation Professional Certification Board, Washington, D.C. He is a past International President of the Institute of Transportation Engineers and a recipient of the Institute's Burton W. Marsh Award.

*2012 to Present*      **Managing Director of Beaubien Engineering**, focusing on road safety audits, traffic impact analysis, and intelligent transportation systems.

*1989 to 2011*      **Transportation Director for Hubbell, Roth & Clark, Inc. Consulting Engineers**, focusing on municipal traffic engineering, transportation planning, highway design, traffic system operations, right-of-way acquisition, and Intelligent Transportation Systems.

*1975 to 1989*      **Transportation Director for City of Troy, Michigan** with responsibilities for planning, design, and operations of the surface transportation systems with the boundaries of the 35 square mile city in the Detroit Metropolitan area.

*1973 to 1975*      **Chief Engineer for Reid, Cool & Michalski, Inc. Traffic Engineering Consultants** in Southfield, Michigan

*1968 to 1973*      **Highway Engineer with the Federal Highway Administration** with assignments in Texas, California, Nevada, Illinois, and Washington, DC. Focused on highway planning and research.
